RECITAL CENTRAL!

**Recital Handbooks will be emailed in the next day or so!
This is a very handy guide, full of information and useful tips!**

There is now a recital information board posted in the lobby. This is where all things concerning the recital can be found, including the line ups for the recitals, picture dates, deadlines and more!

Costume balances are now past due! Please bring in a check or cash for these balances. We expect another large costume order around March 9th!

We are still struggling with our students wearing leotards and tights! This is our “uniform” much like a baseball, soccer, swim uniform. Please make sure your child is dressed appropriately. All dancers should now have the correct shoes for class. This way they can practice in them for the recital!

STUDIO NEWS

It is now more important than ever that your child be in dance class! We are in recital mode, and have begun all recital dances. It will become increasingly difficult to schedule make up classes, as each class is working on a different recital dance. Please check with the desk as to the status of make-up classes when your child misses their own class.

We are currently having traffic signs made! We will also be painting large entrance and exit arrows on the pavement. In the meantime, Parents, please be advised that to enter the parking lot of the studio you need to use the driveway between the two buildings, to exit our parking lot, please use the driveway at the end of the buildings near the mail box. The driveway is not a parking area... please do not pull in the driveway and park. It makes it very difficult for other cars to get around you. The grass area at the end of the buildings is ours and is a great place to park! Also, please keep your speed down, our dancers' safety is our primary concern.

Our summer dance camp schedule is now set and will be emailed to everyone in the next day or so! We have already started our sign ups! Don't miss out, register your child now!
