STUDIO NEWS

We hope that everyone had a great holiday! We are super excited to be returning to dance classes! Although the studio has been closed, we have been hard at work sizing costumes and getting them on order forms! (for those that paid the deposit!) We are ready to meet the costume deadlines!

Just a reminder, your account must be up to date and current for me to order your child's costume. This means costume deposit and all tuition up to and including December must be paid.

To "kick" off our New Year, we will be offering a 20% savings on all dance leotards on display in our lobby! A New Year deserves a new look! Check them out!

It is now more important than ever that your child be in dance class! We will be in full recital mode, and will begin recital routines immediately.

Parents, please be advised that to enter the parking lot of the studio you need to use the driveway between the two buildings, to exit our parking lot, please use the driveway at the end of the buildings near the mail box. The driveway is not a parking area... please do not pull in the driveway and park. It makes it very difficult for other cars to get around you. The grass area at the end of the buildings is ours and is a great place to park! Also, please keep your speed down, our dancers' safety is our primary concern.
